ALL ARE VERY WELCOME!

We are a FAIR TRADE church: all our coffee, tea, sugar etc has been traded in a manner that growers get their fair share of the price.

Could do with a chat?

Life can be a challenge at times and things can get overwhelming. As Christians we are convinced that all of us are loved by God and we would like to share this love with YOU. A good start for an informal chat is our weekly **Café Hope on Tuesdays at 10am in The Hall**. Here you will meet friendly people who can laugh or cry together with you. If you prefer to talk in complete confidence please call 01422 322 764 (Rev Albert Gayle).

We can offer you pastoral care, counseling and can point you in the right direction for help if you struggle with debts, addiction, illness, bereavement, loneliness and more.

Jesus said: I have come in order that you might have life—life in all its fullness. John 10:10

You are invited. Come and see.

We welcome you to Highgate Methodist Church

September has been a busy month: Circuit and other committee meetings and many more events have kept us on our toes and we were blessed with a wonderful Harvest Festival on 27th September: Baby Warren was baptised and together we celebrated Back to Church Sunday at the same time—the church was packed with over 100 people! We worshipped, laughed, prayed, sung, painted and shared coffee with many old and new friends.

Jesus said: For where two or three come together in my name, there am I with them. On this day we could really feel the Holy Spirit at work!

It can be very daunting to worship for the first time (or just to enter a church building) and you might worry about what will be expected from you. Let me assure you that we welcome you JUST AS YOU ARE, warts and all! Just come along and see whether it is right for you. We are happy to help and explain things to you.

A great opportunity to have a look around our building are our concerts. The next one will take place on **17th October, 7.30 when the Calderdale Big Band will entertain us with Jazz and Swing!***

Every Blessing

Albert Gayle

All Age Worship

Our minister and preachers will address the children specially in a way that is understandable for them. Children will be able to take part in little art or crafts projects and can retreat to our play room when they feel like it.

We are currently working on a new concept for worship with children where they will be able to discover and develop their own spirituality without adults “teaching” them. If you are interested please contact us for more details.

In addition we offer crafts days where the little ones can cut, glue, model and build exciting things .

If you like to work with children and could spare a couple of hours each week we would like to hear from you! We are also interested in your ideas and opinion about what we as a church should offer our children.

We look forward to hearing from you.
